

Special Needs Parent Group

At Holy Family, our parents are an integral part of how we support our children with Special Educational Needs.

Our SEN Parent Support Group regularly meets in school to plan themes and activities which are designed to promote awareness of various Special Educational Needs and to raise funds to help provide support for these.

Through a range of 'Awareness Days', the Group has so far raised:

- £120 for DS West Pennine from Down's Syndrome Awareness Day
- £132 for a Sensory Room from Autism Awareness Day
- £117 for dyslexia-friendly books for the school library from Dyslexia Awareness Day
- Donations of toys and books for Ward 84 (Manchester Children's Hospital) from our Superhero Day.

...and we won't stop there!!
