

Holy Family RC Primary School

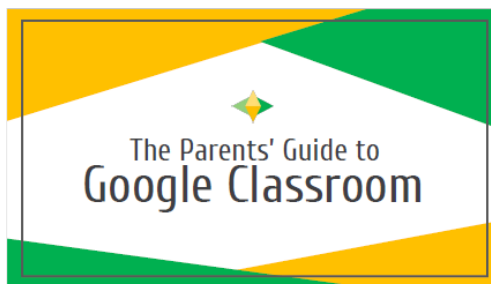

Year 5 Google Classroom

Dear Parents, Carers and Children,

We are looking to improve our online learning further through the implementation of google classrooms. As this is a new venture for the school, I am sure we will have some teething problems along the way. Please be patient and persevere, as we are learning too!

Below is a guide that will help you and your child to log on to Google Classrooms.

Your child will have their own email address, but will only be able to email staff and children at the school. The email will be all lowercase. It will consist of their first initial and their surname eg. Joe Bloggs would be jbloggs followed by @holfamilyrcprimary.co.uk

Therefore the email would be:

jbloggs@holfamilyrcprimary.co.uk

Your child's password will be:

holfamily5!

When you sign in your child will be asked to change their password. The password needs to include letters (lower and uppercase letters), numbers and a symbol eg. ! £ @ ? and must be at 8 characters long or more.

Please remember your password

The Classwork tab is where you will find your work when it is set by your teacher.

The People tab will show you who is in your classroom.

Your first piece of work will be posted on Thursday. To show your teacher that you are a member of the class please say "Hello" on the stream.

Well done!!! You are now on Google Classroom! I hope you enjoy the new online learning!

Stay Home, Stay Safe and Save Lives.
