

Holy Family News

Dear Parents and Carers

I hope that you are all safe and well. Thank you again for your patience in these difficult times. It has been a pleasure to welcome back 10 of our Year 6 pupils. They have settled well into school and adapted to the new routines. Our numbers are slowly increasing and we are currently looking at how we can enable more children to access school before the Summer holidays. This week we aim to establish which children will be accessing a school place starting next week under the government guidance. Following this we will be able to decide whether or not we have the capacity to extend the wider opening of school to Year 1.

In the meantime, our aim is to support your child through home learning. We have noticed a significant decline in home learning since half term and we are keen to improve this but will need your help! The work which will be set for the next 4 weeks will be based around the non negotiables for your child's year. Non negotiables are key skills that your child will need to help them with their learning in their next class and will include reading, writing and maths.

Below you will find information from your child's class teacher about the work that will be set. If you are struggling with online learning we can provide paper packs to be collected from school.

If you do need any help or support please contact school by phone, 0161 770 2400, or you email us:

support@hollyfamily.oldham.sch.uk.

Please stay safe

Mrs Booth.

Transition:

As you are probably aware, the government have announced that all children will be back in school from September. Moving to a new class can be a worrying time for some children and usually we are able to spend time with the children preparing them for this move. This year our transition work will have to be slightly different due to COVID19.

We are hoping to arrange virtual class meetings where your child will be able to meet their new teacher and talk about their return to school in September. Once your child has met their new classteacher, work around transition will be set and transition booklets sent home.

More information will follow.

Year 2- A message from Mrs. Leeming

Hi everyone! Hope you are all keeping safe and well.

It has been decided that for the last few weeks of term, home learning will mainly focus on paper work packs which are available from the school office. This is so that we can target the non- negotiable objectives for Year 2. However, Purple Mash will still be available for your child to play games etc and reinforce prior learning. I have tried, where possible, to match the activities on Purple Mash to the objectives below.

This weeks objectives are as follows:

Maths

Compare and order numbers to 100 and use <, > and =

Recall and use the multiplication and division facts for 2,5, and 10 x tables

Tell the time to 5 minutes including quarter past/to

Reading

The following objectives can be taught through sharing a story or stories together each day

Recount the main theme of stories

Recount the main events in order

Comment on how a text is structured

Writing

Write different kinds of sentences: statements, question, exclamation, command

Use commas in a list

Write lower case letters correctly sized in relation to one another
