

Holy Family News

Dear Parents and Carers

I hope that you are all safe and well. Thank you again for your patience in these difficult times. It has been a pleasure to welcome back 10 of our Year 6 pupils. They have settled well into school and adapted to the new routines. Our numbers are slowly increasing and we are currently looking at how we can enable more children to access school before the Summer holidays. This week we aim to establish which children will be accessing a school place starting next week under the government guidance. Following this we will be able to decide whether or not we have the capacity to extend the wider opening of school to Year 1.

In the meantime, our aim is to support your child through home learning. We have noticed a significant decline in home learning since half term and we are keen to improve this but will need your help! The work which will be set for the next 4 weeks will be based around the non negotiables for your child's year. Non negotiables are key skills that your child will need to help them with their learning in their next class and will include reading, writing and maths.

Below you will find information from your child's class teacher about the work that will be set. If you are struggling with online learning we can provide paper packs to be collected from school.

If you do need any help or support please contact school by phone, 0161 770 2400, or you email us:

support@holyfamily.oldham.sch.uk.

Please stay safe

Mrs Booth.

Transition:

As you are probably aware, the government have announced that all children will be back in school from September. Moving to a new class can be a worrying time for some children and usually we are able to spend time with the children preparing them for this move. This year our transition work will have to be slightly different due to COVID19.

We are hoping to arrange virtual class meetings where your child will be able to meet their new teacher and talk about their return to school in September. Once your child has met their new classteacher, work around transition will be set and transition booklets sent home.

More information will follow.

Year 5 – Work for week beginning 22nd June 2020 – Using Google Classroom. If you are unable to access online learning paper packs can be provided.

Reading – (Please read daily even if it only a few pages)

Reading Comprehension – Arthur and the Sword in the Stone

Focus: to answer inference questions and justify with evidence from the text

Writing/Grammar

Fronted Adverbials – watch you tube video and complete sentence writing task

Focus: Use a range of fronted adverbials followed by a comma

Pronouns – watch you tube video and complete task about Peter and the Alligator

Focus: Use pronouns to avoid repetition

Commas – watch you tube video and complete task by putting commas in the correct place

Focus: Use commas to clarify meaning or avoid ambiguity

Maths – (Please practice your times tables daily using timestables rockstar)

Time activity using Oak Online Learning

Finding the answers to time word problems

Focus: To solve Time Problems

Prime numbers – Which numbers are prime numbers – fill in on task sheet

Focus: Recall prime numbers up to 19
