Dear Parents and Carers

I hope that you are all safe and well. Thank you again for your patience in these difficult times. We are really looking to seeing your child return to school next week. As you will be aware, school has put many measures in place to help reduce the risk of COVID 19. As a result, school will be different to the school that they left in March. A video of some of the changes made can be viewed on our website under the COVID19 page along with our school risk assessment.

The staff in our Year 2 Classroom Bubble will be:

Mrs Hilton

Miss Lloyd

Mrs Hinchliffe

We currently have a group of 11 children who will be in our Year 2 Classroom Bubble. More information will be sent out to you today regarding our new Home School Agreement. Please make sure that you read the information below carefully.

Thank you for your continued support.

Stay safe

Mrs Booth.

## **Coming to school:**

**It is essential that children arrive at school at the allocated time to ensure that children do not mix to reduce the risk of infection.** All children must be brought to school by 1 parent only, to reduce the number of people.

Your child will enter school through the front gates and be asked to line up outside the Key Stage 1 door keeping 2 metres distance away from other children. There are waiting lines on the floor to guide you. Parents will be asked to leave school through the car park.

Year 2 Classroom Bubble

Start time – 8.50am

Finish time – 2.50pm

**Please make sure that you arrive at school at the time given.**

## **Behaviour Policy:**

Due to COVID19 and the risk of infection, we have reviewed and modified our policy in light of the need for social distancing. Please read the policy which can be found [here](#) and share it with your child. Thank you for your support.

A water bottle which is to be taken home each day and washed.
