

Holy Family News

Dear Parents and Carers,

I hope you are keeping well and safe. I am delighted to tell you that we know have over 60 children back in school. It has been great to see the children settle back into the routine of school. As I am sure you are aware, the government have announced that all children will be expected to return to school in September. We are busy planning and modifying our risk assessment to ensure that we do everything possible to keep our children, staff and families safe. More information about the return to school will be sent out to parents nearer the time.

In the meantime there are a few things that may provide additional support to our families over the summer period. Please see below for more information on free internet access and FSM vouchers. Take care and stay safe. Mrs Booth

END OF YEAR REPORT:

Your child's end of year school report will be ready for collection at the beginning of the school week. To help keep people safe and minimise the number of people at school we ask that where possible only one person comes to collect the report. Please use the first letter of your surname to see when your collection day is.

Monday A-E, Tuesday F-N, Wednesday O-Z. If you are unable to collect on the allocated day please contact school to make other arrangements.

Thank you for your support with this.
