

# Welcome to Year 2

Dear Parents and Guardians,

Welcome to Year 2, I am very excited and looking forward to working with you and your child this year.

In Year 2, my desire is to create a challenging and inspiring environment where your child feels valued and safe as well as excited to learn. My aim is to see each child achieve their full potential both academically and socially. I am hoping to work with yourselves to do this as I believe a good relationship between home and school is crucial.

We will be covering some very exciting topics in Year 2 based around some wonderful books. To find out more about the Year 2 curriculum so that you are able to support and join in with your child's learning next year, please have a look on the Year 2 webpage.

Below are some links which you can work on with your child in preparation for Year 2, over the Summer.

## Reading
