

Thursday 9th July 2020

Dear Parent/Guardians,

Welcome to Year 4 My name is Mrs Smith and it is my privilege to teach your child in Year 4. I am looking forward to getting to know all the children in my class and ensuring that they are all fulfilling their potential.

Mrs Johnson and Miss Ogden will also be joining us and supporting us in Year 4.

Homework will be given on a Friday and collected in the following Friday to mark. There will be two pieces of homework that your child will be able to complete independently. We will also be revising a set of spellings. Children will continue to take reading books home which will be changed as your child finishes their book. Please encourage your child to complete their homework, as it allows them to practise key skills that are learnt at school. Pupils should also practice their times tables each evening as they will be tested on these at the end of the year. By the end of Year 4 pupils will be expected to **know their times tables up to 12 x 12.**

During the summer holidays please remember to try and complete a little learning activity a day as this will help to balance fun and retain the learning skills that they already have.

I will be setting up a Year 4- September 2020 page on our school website where you will be able to find activities such as common exception words for year 3 and 4, times tables and different small activities to keep your child entertained during the summer. Please continue to read at least 10 minutes per day.

I hope your families have a wonderful summer. Please remember, my classroom door is always open if you have any questions, suggestions or any other feedback. Please feel free to grab me before or after school if you would like too. If an issue is confidential or needs slightly more time, please do not hesitate to contact the school office and book an appointment with me.

Also remember to follow our twitter page #Y4HolyFamily.

I look forward to meeting you,

Mrs Smith.
