Dear Parents and Carers,

As we have come to end of our first half term, I would like to take this opportunity to thank you for your support and wish you a very restful and peaceful half term in these difficult times. Please take the time to read this newsletter carefully as it contains information to help keep everyone in our community safe.

Stay Safe. Mrs Booth

## Track and Trace

This week ALL schools in Greater Manchester have been asked to support Public Health to ensure that contacts of confirmed COVID cases are informed quickly during the half term break. For this reason we are asking parents to contact school to inform us if your child tests positive for COVID. This will allow us to identify contacts of the child and inform them of the date that they need to isolate to. It is only by working together that we will bring the infection rate down.

**You can contact school on:**

**07927706736** or email to:
