

Holy Family News

A Helping Hand From Holy Family and Friends

Christmas is fast approaching and whilst this should be a happy occasion for families we are aware that this year especially it will also bring a lot of extra pressure. We have been fortunate to receive some donations from people who would like to help to try to make things a little easier for our families. COVID19 has hit our town hard. Peoples incomes have reduced or stopped completely, families have lost loved ones, mental health concerns have increased across the borough and our children have missed out on numerous celebrations and have had to isolate. **Please read on – as help is available!**

What will this help look like?

It may be:

A food parcel

Some toys for your children

Children's books

Pyjamas and slippers for Christmas Eve

Christmas decorations

Requests are very welcome!

What do you need to do?

Contact us at support@holyfamily.oldham.sch.uk

Let us know what would help to take a little of the pressure off.

We will need to know the age and name of your child or children – so that any toys/books/clothes will be for appropriate for your child/children.

No questions will be asked and any requests will be confidential.

Parcels can be collected from school at a time convenient to yourself, where families are isolating we will arrange for them to be delivered.

Please contact us as soon as possible so we can make arrangements.

We look forward to hearing from you.
