

Holy Family News

Dear Parents and Carers,

Christmas is fast approaching and preparations are well under way! Sadly, Christmas in school will be very different this year due to COVID restrictions. Unfortunately, we will not be able to invite parents in this year to watch the Christmas productions and carol concerts, however we will be recording them and putting them on our website for you to enjoy with your child. Advice from Public Health advises to avoid social gatherings to minimise risks as the rate in Oldham, whilst reducing, is still very high compared to the rest of the country. Everyone wants to be able to spend Christmas with loved ones so it is important we all play our part to allow this to happen. So this year we are asking you to settle down with your child, maybe have a mince pie or two and watch the performances from the comfort and safety of your own home.
