Headteacher: Mrs. A. Booth

EYFS

Each pack has been carefully created to support the needs of your child and will further support our online learning.

Each week we will have a book focus and set of linked activities, these will be posted on our Class Dojo.

Important information:

MATHS WORK in the pack is to be completed as instructed on our Class Dojo page. We are working through a set page / task per day rather than completing lots of sheets in one go. Work will be set on Class Dojo so you know which sheet to do on which day.

Any phonics, letter formation and pencil control sheets in your work pack can be completed as and when you wish.

Extra games and practical activities, as well as useful parent blogs and advice will be posted regularly on our Twitter page, so do keep an eye out.

We would appreciate lots of photos and videos as a record of learning for your child's portfolio.

Please note, anything on Class Dojo is shared privately, if you would like to celebrate and share your work with others, please do so on our Twitter page @NursHolyFamily and @RecHolyFamily This is also a nice way for your child to see photos of their friends and teachers.
