MISSING CHILD POLICY

OVERVIEW

Children should never be allowed to leave the premises during school time without the headteacher's permission. It is possible that on some occasions a child may leave the premises without the knowledge or permission of the headteacher. This policy is put in place to ensure that every action possible is taken to ensure the quick and safe return of that child to school.

OBJECTIVES.

1. To locate any missing child quickly.
2. To ensure that all children are kept safely on the school premises during school hours unless they have the headteacher's permission to leave.
3. To ensure that children who leave school during the school day, do so with the headteacher's permission and that they are accompanied by an authorised adult.
4. To ensure that the building, grounds and play areas are safe and secure during school hours.
5. To ensure that teachers and staff keep children under good supervision at all times.
6. To ensure that if a child 'goes missing' during the school day, they are located quickly and returned safely to the school.

STRATEGIES.

1. If a child cannot be found by its teacher the headteacher must be notified **immediately and told when and where the child was last seen**. Time is of the essence and prompt actions must be taken by all.
2. The remaining children will be left safe in the care of suitable staff and all available staff will conduct a thorough search of the child's classroom, storage areas, toilets, the school building and the school grounds.
3. If the child is not found within a short period of time, the police must be called by the headteacher or staff member.
4. If a child goes missing during an outing or school visit, the teacher in charge must ensure that the remaining children are safely cared for by the other adults. An urgent but thorough search should be made of the immediate vicinity and if the child is not found the police must be called and then the headteacher notified.
5. As soon as possible, the parents will be notified that their child is missing.
6. Members of staff, who are not supervising children, will be sent to search area in the immediate vicinity of the school.
7. The LA will be notified by the headteacher that a child is missing.
8. If a member of staff finds the child the headteacher must be told at once. Parents, police and other authorities will be notified.
9. The headteacher will investigate how the incident occurred and will take appropriate action to ensure that similar events do not happen again.

OUTCOMES

The safety of all children will be given our highest priority. A missing child should be an extremely rare happening. This policy is designed to put into place swift and effective actions to locate any missing child and to notify and involve parents and the authorities at every appropriate point.
