Headteacher: Mrs. A. Booth

Dear Parents/ Carers,

I hope you are all well. As we unfortunately find ourselves in another national lockdown, we have had to move to remote learning across the school. I understand this may be a worrying, stressful time for many but please be reassured that we are all here to help at Holy Family. I would like to share with you my pride for the progress your child has made so far in Year 2. It is vital that this progress in your child's learning continues, which is why your child is required to complete their home learning via Seesaw every day. Participation will be monitored.

Please do not hesitate to contact myself, or the school, about any concerns throughout this lockdown. We are here to help. There will be a video call on google meet (click the link that will be emailed to you) every day at 10.30 - 11.00. This video call will outline the tasks for the day, a short lesson input and also allow your child to catch up with their friends and ask any questions.

It is vital for your child's mental health that they still have a routine, therefore you will find a timetable outlining the week that will help your child complete their home learning.

I hope you and your family stay safe, and please know we are all in this together. I look forward to hearing from you all.

Miss Walsh.
