Tuesday 5th January 2021

Dear Parents / Carers,

As you are aware, due to Lockdown, the children will now be learning at home. They will be learning via SeeSaw. The children are very familiar with this App and are aware of how to access it.

The children have made tremendous progress from September to December and it is imperative that this momentum is maintained. We expect the children to complete five pieces of work each day, comprising of:

- English
- Maths
- Reading activity
- Phonics or SPAG (Spelling, Punctuation or Grammar type activities)
- Topic activities

I have told the children that if all activities have been completed each day, a little reward will be given!

It has been well documented that routine is of paramount importance for children during these uncertain times. Therefore, I look forward to meeting the children via Zoom every day at 10:30am. This will give the children an opportunity to see their classmates and ask any questions regarding their work.

As you may be aware, as a school, we really value the importance of reading and the children have made great gains. Although your child will not have a school reading book, please ensure you read books at home daily with your child, to ensure their progress is not lost.

The children will also have a Times Table Rockstars log in stuck in the front of their home learning book. Please ensure your child practises regularly.

Thank you for all your support. Stay safe.
