

Holy Family News

We live, learn
and love in
His way.

Dear Parents and Carers,

I hope you all enjoyed the Bank Holiday weekend. As always, the children have been working very hard! We have seen some great work going on in our guided reading lessons across school. We have some great reading detectives! Over the next few weeks our subject leaders for Geography (Miss Baggaley) and Science (Mrs Hall and Mrs Leeming) will be taking a closer look at your children's work and learning in lessons.

Please remember, you can find out more about what your child will be learning by visiting the curriculum page on our website. Click [here](#) for the school website.

Thank you to those parents who have completed the Relationship Health and Sex Education (RHSE) survey. If you have not yet completed the survey please click [here](#) for the link to the letter. It is really important that we work together and know your thoughts and views as parents. **You are your child's first, and most important teacher.**

Stay safe and take care. Mrs Booth

We would encourage families to use the Lateral Flow Tests as outlined in the guidance [here](#).

Holy Family Values Award

Each week, we will be giving out a special award to a child who lives out our school values daily and goes above and beyond our expectations. Last week the award was given to Bree in Year 5 for the care that she always shows to her peers. Well done Bree!

This week the children have voted on for a name for our school dining hall! The winning name was ...
SNACK ATTACK!!!

PLEASE REMEMBER WE CAN PROVIDE FOOD PARCELS FOR FAMILIES WHO MAY NEED A LITTLE EXTRA HELP.

. If you require a little help you can contact school on support@holyfamily.oldham.sch.uk
