

Holy Family News

Dear Parents and Carers,

What a fantastic first week our children have had! They have settled back in to the school routine exceptionally well! Thank you for ensuring that the children have the full school uniform on, they look very smart and are have shown us this week how proud they are to be part of our school community. I am aware that some people are still waiting for uniform to arrive from our new supplier. If you are having any difficulties please speak to either Mrs Hartley or Mrs Ordano in the school office. Unfortunately we have had already had a positive COVID case. Please can I ask that you be extra vigilant when you are bringing your child to school and try to maintain your social distance. We will continue to follow our risk assessment which can be found here to reduce the risk of transmission. If you have any worries or concerns please don't hesitate to contact the school.

Thank you, as always , for your continued support.

Mrs Booth
