Headteacher: Mrs. A. Tunncliffe

Dear Parents/Carers,

As you know we are experiencing extremely hot weather. We will be doing everything possible to keep your child cool.

- Blinds will be closed
- Playtimes will be spent drawing, reading, playing board games under the shade of a tree or indoors.
- There will be no PE or Daily Mile
- Your child will be encouraged to drink plenty of water.

However, the vast majority of our classrooms have very large windows and receive a lot of sun in the afternoon and I am concerned that this may make the heat in the classroom too much for our children. **If this occurs, I will send a text out to inform you**, that should you wish, you may collect your child early from school. Please rest assured if your child needs to remain in school we will take good care of them.

I am hoping that this will not be necessary and praying for clouds and a breeze!

Thank you for your understanding and continued support.

Mrs. A Tunncliffe
