

Holy Family News

Dear Parents and Carers,

It has been lovely to see so many of parents attending Parent's Evening this week. We hope you are proud of your children and pleased with the progress they are making. 

I am sure many of you have noticed that we have had a significant amount of work done to improve the learning environment for the children. Over half term we have had LED lighting fitted throughout the school. This has improved the lighting for the children and staff and made the school more environmentally friendly.

Next week, we will be having photographs and videos taken to promote our school. It is a great opportunity to celebrate our school community. Please can you ensure that your child comes to school in their full school uniform, if you are having any difficulties with this, please come and speak to Mrs Ordano or Mrs Grimshaw who will be happy to help.

Thank you for continued support.

Mrs. Tunncliffe

Parents' Questionnaire

Thank you to those parents who have already completed the parents questionnaire, your views are important to us. If you have not yet completed the questionnaire you can do so by clicking [here](#).

It's not too late!!! Parish of the Nativity Sacramental Programme 2023/2024

There is still time to register to join the Parish Sacramental Programme. We are inviting baptised Roman Catholic children from year 2 to year 6. to register on this year's Sacramental Programme.

This invitation also extends to non-baptised children or baptised children from other denominational backgrounds who would like the opportunity to become Catholic or learn about becoming or converting Catholicism.

Ten Pin Bowling

Congratulations to our Ten Pin Bowling Team who participated in a competition on Monday. They had a fantastic time and came second! Well Done!

Football

A Year 5 football team had the pleasure of competing at the Cliff Training Ground this week. They had a fantastic time.

My Happy Mind

Since returning after half term, the children have started an award winning programme, "My Happy Mind". This programme aims to teach them about how the brain works and the importance of looking after our mind.

More information will be sent out shortly including access to the Parents App.
