2nd May 2024

Dear Parents and Carers,

It is hard to believe that we are halfway through Summer Term 1 already. It was lovely to see so many of our parents and carers attend our parent conferences last week. I hope that you are pleased with the progress that your child is making and found the meeting with your child's class teacher useful and informative. We will be sending out a questionnaire before half term to seek your views. Year 1 and Year 4 teacher's will be holding a parent conference after half term.

I hope you all enjoy the Bank Holiday weekend and that sun keeps on shining!

Thank you for your continuing support,
Mrs. A Tunnicliffe

Assessments

This half term some of the pupils will be sitting their statutory assessments which are required by the government. The children have been working hard with their teachers to prepare for these tests. The children are used to tests/ quizzes and staff work hard to ensure that we have a calm working atmosphere where your child can do the best with minimum stress.

It is important that your child is in school every day especially in Year 6 as test must be administered on certain days.
